Theo's winning game of LOL

Northcliffe Youth Dreams Fly High

In 2013 Michael Keller responded to the Northcliffe Community Resource Centre's youth sponsorship campaign 'A challenge is issued to all Northcliffe kids: Achieve your dream!'

Michael submitted an amazing sponsorship application outlining his plans to create a remote control enthusiast event *RC Wings over Northcliffe*.

With a huge amount of help from his family and a \$500 sponsorship from Northcliffe Community Resource Centre Michael has now realised his dream.

The *RC Wings Over Northcliffe* event, held in December, was organised to perfection (with lots of help from the Keller family), was well attended, and Michael now hopes to repeat the event in 2014.

Michael has the gratitude of the Northcliffe CRC Committee for helping show the potential of our Youth Sponsorship scheme. Thanks Michael!

Northcliffe kids with a dream should look out for the third round of our annual Youth Sponsorship in 2014. The Youth Sponsorship is a marketing activity of the Northcliffe CRC supported by the Department of Regional Development, the Royalties for Regions program, local community volunteers and a number of private benefactors. In 2013 we were able to support four projects conceived by local kids.
