Famed for its rustic charm, Northcliffe Bush Camp still has 'deluxe' facilities such as hot showers, flushing toilets, camp kitchen and the iconic "Bull Bar". We are located 3km from Northcliffe township, at 157 Riverway Road.

We offer limited powered sites. After checking in, find a spot and set up camp. Over 100 acres of walk/bike trails to take in the beauty of the forest, 6 natural dams, orchids and birdlife. There is something for every nature lover.

Campfires allowed only in firepits when fires are permitted in season. Firewood for sale on site.

We are a pet friendly camp. Dogs must be kept on a leash at all times for the respect and safety of other guests.

Open all year round.
