

ENTRY GUIDELINES - NORTHCLIFFE COMMUNITY RESOURCE CENTRE (NCRC)

ALL ENTRANTS MUST FILL IN AND SIGN THIS ENTRY FORM

We invite you to take part in Northcliffe’s 2024 Photo Competition: *From a Different Angle*. The entry deadline is 31<sup>th</sup> May 2024. Entry is free and up to 5 images may be submitted. **No need to print or frame your photos:** just provide us with your digital photo files, along with a completed entry form. We do the rest.

You are encouraged to explore the broadest possible interpretations of our ‘*From a Different Angle*’ theme. We are happy to receive mobile phone photos, high quality digital camera images or lower quality images. You are free to edit and digitally alter your entries and experimentation is encouraged. Push beyond what you are comfortable with. Break the rules. Make your own rules.

Digitally altered photos which combine several source photos should not be photo montages but rather designed to create a single coherent image. No AI Generated images. Please submit your photos in digital format, JPG or TIFF, at the maximum original resolution available to you. Photo has to be taken in 2023 or 2024.

To provide your photos to us please use email, Dropbox, Google Drive or another similar service, or bring in a USB stick, hard drive or camera card, so we can copy your image files directly. Images must be accompanied by an entry form.

NCRC staff will select a number of photos for printing and displaying in the ‘*From a Different Angle*’ EXHIBITION planned to open in July 2024. NCRC will decide the size and format for printing and mounting any photos chosen for the exhibition. Afterward, any printed and mounted photos will be yours to keep. We will contact you at this point and you will need to arrange collection from NCRC.

Entries printed for the exhibition will be eligible for the awards/prize pool, which is valued at \$400. There will be three award categories and there may be separate prizes awarded within those categories (eg. 1<sup>st</sup> prize, 2<sup>nd</sup> prize). Categories may include Open, Youth (18s and under) and People’s Choice.

The NCRC will select one or more judges to make prize/award decisions. Feedback about the overall exhibition and awarded photos may be provided in public commentary however the judge/s will not provide feedback on individual photos.

Staff entries are allowed however staff will not be included in judging or awarding of Open category prizes. NCRC and any judges appointed by the NCRC may decide not to award a prize in any or all categories, if they deem entries do not sufficiently meet theme or quality criteria, or if there are insufficient entries to create effective competition.
