You Can Apply In Only Two Pages

You don't have to think big. You could also try thinking small. From little things, big things grow...

Past sponsorships of Northcliffe kids helped them pay for:

- model trains for a model train club
- an airfare to Paris for a French language student
- glider lessons, and the 'Wings Over Northcliffe' event
- materials for building a bird aviary

You can apply for as little as one cent or as much as one thousand dollars in support. Tell us what the money will be used for and why it is important to you. You will also need to tell us how you will pay back the community, in some way, for the help you've been given.

Some ideas for projects:

- Music, art or sport lessons. Academic tutoring.
- Travel, accomodation and ticket costs to attend workshops, festivals, concerts and competitions.
- Purchasing gear to help pursue your idea or passion.
- Purchasing gear to set up a club or group.
- Crazy plans which just might work, with some financial help.

Whatever your idea is, we would love to hear it. Your parent/guardian will need to support and sign your application.

To apply, grab the guidelines from the school office or from the Northcliffe CRC. Your teacher might be willing to help you write your application. Otherwise ask for help at Northcliffe CRC. Your application can be simple and as short as two pages. PREVIOUS APPLICANTS, whether they were sponsored or not, ARE WELCOME TO APPLY.

We are accepting applications for our 2018 funding round until Friday 21st September 2018.

How easy is this?

Dear Northcliffe Community Resource Centre,

My name is Posy Piano. I am thirteen years old and live in the town of Northcliffe. I have a dream of becoming a great piano player and I need your help to make it happen. The amount of money I am asking for is $500. I have been playing keyboard on my Gran's organ, when I visit her, since I was a baby. I can't always visit my Gran to practice since she needs her rest and most nights I need to stay at home to do my homework.

Mum sent me on one piano lesson last year and I really loved it. We could not afford for me to go to more piano lessons as well as afford to buy a keyboard for me to practice on. Mum has been saving to buy me a keyboard instead of sending me to piano lessons. Our family is not rich and I have two younger brothers who eat a lot. My Mum has a job at the shops in Manjimup but she says it doesn't pay very much.

If you give me the money to pay for most of my lessons for 2013 then my Mum can pay for the keyboard for me to practice on and also some of the lessons, and she says she can start saving up for my lessons for 2014. My Gran has also said she will help.

Learning piano would be great for me as piano and singing go well together. I love to sing and came third in Star Search at school last year. If I can learn piano it will help my singing and maybe give me a career. Also it is good to be able to play piano if you want to write songs and entertain people.

HOW I COULD PAY THE COMMUNITY BACK FOR THEIR HELP...

If you can give me the money to help me study piano I will bring my keyboard into the Northcliffe Community Resource Centre at the end of the year and play a tune and sing if you like. You could invite the community to hear me. I will also perform for the old people's Christmas party if they like. I could learn a Christmas song on the piano. I have already practiced singing 'Silent Night'.

The piano teacher has written a letter to ask for me to get this sponsorship. She says I have natural talent and she thinks I would practice hard and be a good piano player. I have put in a copy of this letter for you to see. I have also included a tape of my Star Search performance.
