

The Bee Film Festival

Northcliffe CRCs Bee Film Festival has been carefully planned to work around other bee festival events and we have something for everyone at Northcliffe's Bean Bag Cinema:

For lovers of unintentional 'B movies'...

The Swarm PG 7pm Thursday 22nd of October

Will this film be so bad it's good? Or, will the audience end up needing to provide their own entertainment?

This 1978 film had a massive budget and the cast includes 20 million live bees, Michael Caine, Olivia de Havilland, Henry Fonda and Richard Chamberlain. But don't be fooled. It is listed on Wikipedia's page of the 100 worst films of all time and has a score of 9% on Rotten Tomatoes. We have also seen it in a list of the 100 Most Enjoyably Bad Movies Ever Made, so who's to say? As a lover of bad disaster films we are predicting maximum enjoyment.

A moving, real world, cinematic experience...

Honeyland M 7pm Friday 23rd of October

The camera follows a lonely keeper of wild bees, a bee keeping culture which is rapidly vanishing. This film is rated 100% on the Rotten Tomatoes film rating website, has received many accolades, and is clearly going to be a very special experience.

For families wanting some laughter and fun...

The Bee Movie G 11am Saturday 25th October

Jerry Seinfeld helped write the script and voice act in this animated family comedy classic about Barry the Bee. For this final film please feel free to wear your best bee costume! We'll have some kids games and colouring-in activities prior to movie.

We supply the comfy beanbags, popcorn and entertainment. Just come along - no bookings needed.
